Life Objective

I'm Nukala Trivendar Reddy, a 2nd-year student at Vasavi College of Engineering with a passion for learning and a drive to excel in web development. I'm constantly seeking opportunities to expand my knowledge and gain real-world experience through internships. . I actively seek out new technologies and knowledge in various fields to stay ahead of the curve. I'm eager to find internships or opportunities where I can showcase my abilities and contribute to meaningful projects. I'm a quick learner and a team player, always willing to go the extra mile.
